House Expectations

COMMON SPACE EXPECTATIONS

In an effort to provide a safeguard and focus on gracious living, Phi Sigma Sigma is committed to prioritizing the health, safety and wellbeing of our sisters through shared expectations. Residents are expected to openly discuss and outline the responsibilities and boundaries the residents would like to observe. If sisters are unable to amicably resolve conflicts on their own, the chapter's standards board may assert control over finding a resolution.

PRINCIPLES FOR SUCCESS

- 1. Respect one another's opinion. Everyone reserves the right for the concerns to be heard and respected.
- 2. Best friend, just friend, acquaintance or simply just housemates; know that your chapter sisters can be any of these things, and it's ok.
- 3. If things aren't going so well, you'll benefit from talking it out with your house manager, house director or member-at-large in mediation.
- 4. If you want to get along with your housemates, it's more likely you will.
